

VISION IQ

ENTERPRISE VIDEO INTELLIGENCE

Your cameras already see everything. Now they can act.

Plug-and-play Vision IQ that turns your existing CCTV into real-time safety, security & operational intelligence.

48 hrs

To Deploy

The Problem Today

- ✗ 99% of CCTV footage is never reviewed
- ✗ \$1.6 trillion lost yearly to unplanned downtime
- ✗ 3 million workers die from work accidents
- ✗ \$35 billion lost to cargo theft & intrusion

With PlantWiz Vision IQ

- ✓ Detects risks in milliseconds, not hours
- ✓ 24/7 automated monitoring — no fatigue
- ✓ 85% fewer false alarms with smart alerts
- ✓ Works with 95%+ of your existing CCTV

BUILT-IN VISION IQ —NOT JUST CAMERAS

- ✓ Vision LLMs that understand your operations — not just your cameras
- ✓ Vision IQ agents that act — without being asked
- ✓ Edge inference — sub-second latency, on-premise, your data stays with you
- ✓ Built-in anonymisation — privacy-first, GDPR-ready by design

WHAT YOU GET

● PPE & Safety Compliance

● Intrusion & Zone Alerts

● Fire & Smoke Detection

● Cargo & Dock Intelligence

● Crowd Density & Flow

● ANPR & Vehicle Intelligence

BUILT FOR YOUR INDUSTRY

● Manufacturing

● Logistics

● Oil & Gas

● Chemicals

● Construction

● Smart Cities

● Energy & Utilities

● Automotive

HOW IT WORKS

01 CONNECT

Plug into the cameras you already own

02 DETECT & ANALYZE

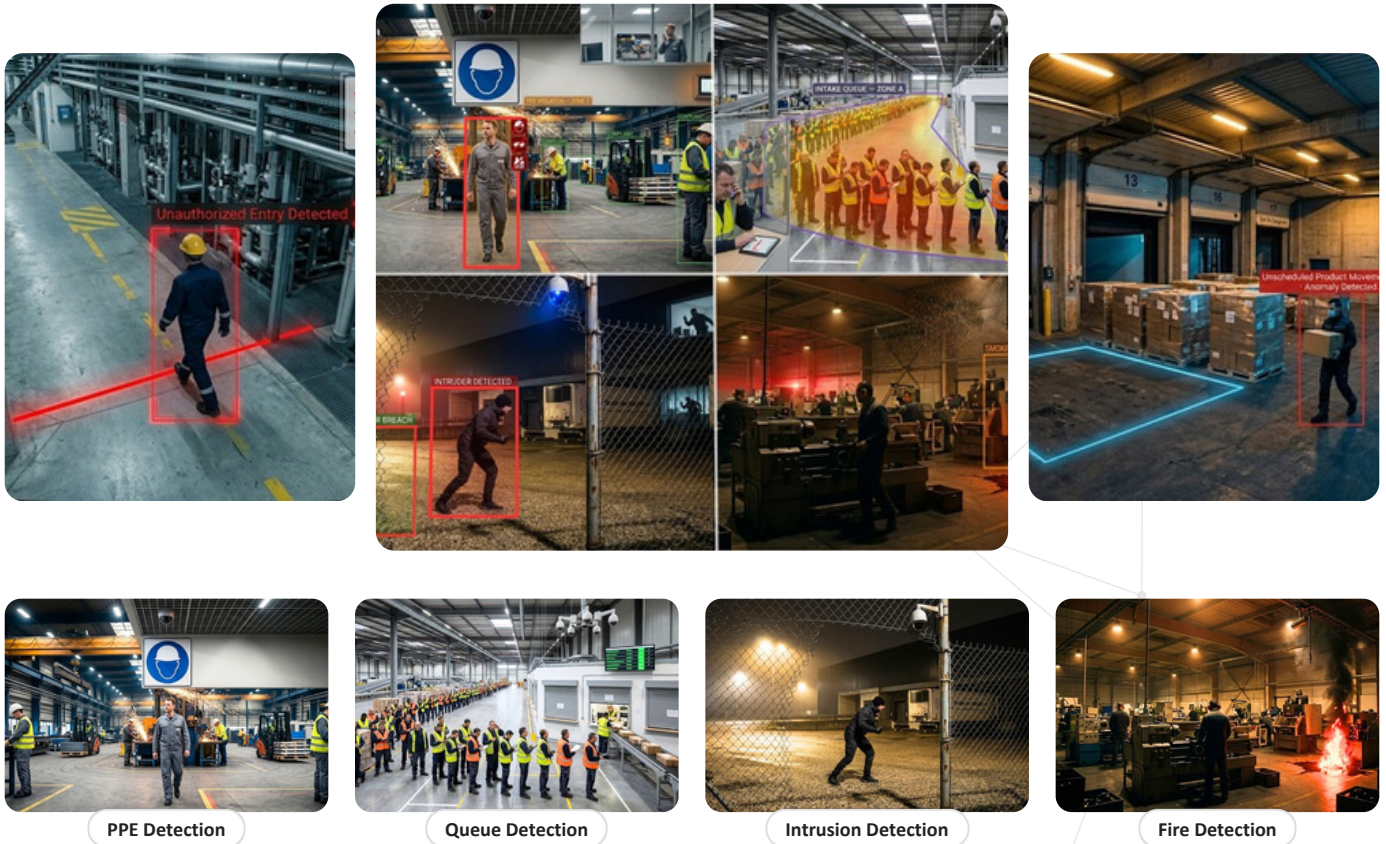

EdgeAI watches every feed, 24/7

03 ACT

Real-time alerts, reports & workflows

SEE VISION IQ LIVE

Real detections from live deployments — on existing cameras, in real time.

PROVEN RESULTS
